Companies will provide Pipestone Golf Club with an employee list at the time of purchase. This membership applies only to employees of the Corporation. Any non-employees in the group will be charged regular rates. The employee may be required to provide ID at time of check in. Tee times must be booked in advance and golfers in a group of two may be paired with another group. Corporate memberships do not cover League, Tournament, or Special event fees.

The cost of the Premium Corporate Membership components are as follows:
